

# Angel Hill Surgery

1 Angel Hill, Bury St Edmunds, Suffolk, IP33 1LU

## INFECTION CONTROL AND CONTROL POLICY STATEMENT

**Angel Hill Surgery** is committed to providing safe and effective care routinely and consistently in clean and managed premises in order, to minimise the risk of infection. Systems in place will provide assurance of compliance with the Health and Social Care Act 2008 (Regulated Activities) (Amendment) Regulations 2025 and specifically with partial compliance with the fundamental standards contained in:

Regulation 12 – Safe care and Treatment  
Regulation 15 – Premises and Equipment  
Regulation 18 – Staffing

Standards are achieved by ensuring compliance with the ten criteria of the Code of Practice for the prevention and control of infections (2022).

### Responsible Persons:

Surgery Lead for Infection Prevention and Control – Nurse Katie Hale (currently Nurse Jo Chandler – Nurse Manager)

Infection Prevention and Control Lead – Dr Suzie Surti

Named Person for Decontamination of Equipment – Nurse Jo Chandler

Named Person for Environmental Cleaning – Paul Rayner

**Standards are constantly checked by weekly, monthly, annual checks or audit, covering:**

Cleaning standards – weekly,  
IPC Standards – weekly, monthly and annually  
Training – annual updates, six-monthly hand washing, etc,  
Regular Infection control room audit – quarterly and annually  
Stock rotation preventing expiry dates – weekly
